

## PROFILE

Dedicated and skilled Full Stack Web Developer with a strong passion for creating efficient, scalable, and user-friendly web applications. Leveraging a diverse technical skill set and extensive experience in both front-end and back-end development with 3+ years of experience, I am equipped to deliver high-quality solutions that meet clients' needs. With a deep understanding of the entire web development process, from concept to deployment, I am adept at collaborating with cross-functional teams to bring projects to successful completion. Currently residing in Turkey and seeking a remote position to leverage my expertise and contribute to cutting-edge web development projects.
